

BALKAN STORIES ARE CONFLICTING

Problem of Dealing With
Dead and Wounded Is
Proving Serious

DENOUNCE ATROCITIES

Greece Demands That Viola-
tions of International Law of
War by Bulgaria Cease

TO TRY TO ENFORCE DEMAND

LONDON, July 9.—Out of the welter of conflicting stories from the Balkan battle fields it is almost impossible to sift the truth. This was markedly illustrated tonight, a despatch from the Daily Telegraph correspondent at Uskup dated Tuesday night reporting that there had hardly been any fighting in the last few days while Belgrade despatches reported further Serbian victories the latest advices from the Serbian capital asserting that all the Bulgarians who had invaded Serbia had been driven back across the frontier.

There seems to be little doubt that General Ivanoff's army is steadily retreating before the victorious Greeks and it is reported that Bulgarians have evacuated both Kavala, where the Greek fleet is operating and Dedegatch.

Whether there is any truth in Vienna reports that Bulgaria has applied to the powers to arrange peace is not known but it would appear not unlikely since clearly things are not going well with the Bulgarians and the outbreak of cholera at many points in the field of operations combined with the exhaustion of the armies by the fierceness of the struggle, is calculated to render some such solution welcome to the combatants. This is especially so because of the uncertainty of the policy of Roumania which is now reported to be equally ready to attack either Serbia or Bulgaria, as the occasion may demand in order to prevent a disturbance of the Balkan equilibrium. The problem of dealing with the dead and wounded is proving very serious. The nursing resources in Belgrade are woefully insufficient and all accommodations there are distressingly overtaxed. It is stated that the Serbians have permitted a pause in the operations to allow the removal of the wounded and the carrying out of the dead as well as the carrying out of sanitary measures to prevent a spread of cholera.

The Greek government has made urgent representations to the European governments against massacres and atrocities alleged to have been committed by the Bulgarian troops and irregulars on unarmed villagers at Bogdanza, Nigrita, Guevgheli and elsewhere in violation of the international laws of war. This appeal declares that in the event of defenseless Greek populations being left to their fate, Greece will be obliged to take rigorous measures to put an end to Bulgarian atrocities.

A Greek official statement asserts that instead of 30,000 as alleged by Bulgaria, General Ivanoff's army consisted of 120,000 men.

Attack Mounts on Passes.
Athens, July 9.—An official bulletin issued tonight says the Greeks on Tuesday attacked the mountain passes towards Strumitza. The Bulgarians, reinforced, perhaps from Istip, offered vigorous resistance but were steadily driven back.

The Greeks occupied some of the passes but the fighting was stopped by darkness, with the expectation that it would be resumed Wednesday.

Later bulletins declare the Bulgarians are in headlong flight, the Greeks having made a night attack on Strumitza, forcing the Bulgarians to abandon their positions with heavy losses.

Private despatches report the evacuation of Kavala by the Bulgarians.

Finds Town in Ruins.
A correspondent of the Daily Telegraph who arrived at Nigrita Saturday morning describes the town as reeking heap of smoldering ruins and confirms the reports of wholesale murders and burnings committed by Bulgarians in all the villages around as well as Nigrita. He estimates that 1,500 persons have been killed in this manner. The correspondent declares that atrocities have caused the Greek soldiers with a frenzied rage and desire to avenge on the Bulgarians which carries them to victories against any odds.

Maneuvering For Position.
London, July 10.—The following despatch has been received from Uskup by the Daily Mail:

"The general engagement between the bulk of the Serbian and Bulgarian forces ceased temporarily Tuesday afternoon as the Serbians had attained their objective in repulsing the Bulgarian attack on the territory in dispute between the former allies. The two armies are now maneuvering for position in the region of the Bregalnitz river and outpost skirmishes are occurring between them."

"No importance is attached at Serbian headquarters here to the Bulgarian raids in Serbian territory. They are regarded as of the same nature as the temporary success of Bulgarians at Keyvolak, which they

were forced by the attack of the Serbian army to abandon.

"Serbian officers are indignant at the Bulgarian treatment of Serbians whom they 'finished' in cold blood, while others were mutilated. A photograph has been taken of two Serbian soldiers now in the hospital whose noses were cut off by the Bulgarians."

A despatch to the Mail from Athens says Bulgarian forces engaged against the Serbians at Istip, Keyvolak and Kotechana are retreating because they fear an attack in the rear by the Greeks.

Crisis For Bulgaria.
The present is the most fateful crisis for the Bulgarian race since King Milan of Serbia declared war in 1885 against Bulgaria in the absence of the Bulgarian army on the Turkish frontier, says the Sofia correspondent of the Times.

"Bulgaria is now threatened by hostile forces on every side but the manifold dangers of the situation," he says, "are being confronted with extraordinary calmness and resolution. All reserves who hitherto have been excused from military service have been called out and they respond readily, it being realized that the whole future of the Bulgarian nation is at stake."

"A more cheerful view, however, prevails today. Instead of a serious defeat which General Kovalcheff's laconic message were supposed to indicate as the motive for the evacuation of Kotechana, it appears that no fighting has occurred in that region in the last two days, which have been occupied by the Serbians in collecting their dead and wounded and the evacuation was due to strategic reasons. The troops have now taken up strong positions from which it will be difficult to dislodge them."

"Up to Tuesday night Serris was not occupied by the Greeks. Communications have been interrupted by the flight of the telegraph operators. King Ferdinand has bestowed an order for bravery on General Ivanoff for his stout resistance against overwhelming forces."

WEEMS OF QUINCY DEFEATS PEORIA MAN AT GALESBURG

Herron is Defeated in Championship
Flight—Bloomington Racquet
Wielders Win.

Galesburg, Ill., July 9.—At the fourteenth annual golf and tennis tournament of the Central Illinois Country Club association here today, Weems of Quincy defeated Herron of Peoria in the championship flight.

Tomorrow Weems of Quincy will meet Simpson of Galesburg in the final 36 hole round for the golf championship of the association.

In the Na-Amcke-Doon flight, Macey and White continue to represent Peoria, going up to the semi-finals, while Heidrich will tomorrow meet Fairburn of Champaign in the semi-finals of the Uno Doon cup. Paddock and Cocker are Peoria players remaining in the semi-finals, the former being slated to meet Snook of Quincy tomorrow and the latter to play Harris of Champaign.

In the tennis singles today Page of Peoria had a comparatively easy victory over Wylie, 6-4; 6-4; while Woodward, another Peoria player, defeated Haynes of Decatur 7-5; 6-1.

Tomorrow Page will play Bernard runner up last year's tourney, and Woodward will play Graham, one of the strongest contenders for the net title. Today's play in the doubles saw the Peoria pair defeated by a hard battle, Coulter and Graham turning the trick in three sets, 6-4; 1-6 and 6-3. Steady playing at critical times gave the Bloomington racquet wielders the edge over Page and Woodward.

PRESENTS REVISED REPORT
San Francisco, July 9.—The outgoing federal grand jury, whose report was rejected by Justice Van Fleet in the United States district court yesterday, has revised its report.

The grand jury, which was organized by President Wilson and Attorney General McReynolds in the Diggs-Caminetti case, involving the resignation of United States Attorney John L. McNab, presented a report which the court accepted. The jury confined its reference to the McNab affair to a tribute to the former district attorney.

"We have noted with the utmost regret," the report said, "the resignation of Mr. McNab. During the term of office we have learned to regard him with the utmost respect and confidence and we feel that the department of justice and the public service have lost one of their very best officials."

SEXUAL HYGIENE
IN CHICAGO SCHOOLS.

Chicago, July 9.—Instruction in sexual hygiene will be given in the schools here with the beginning of the next term. This was determined to day when the board of education adopted a recommendation of the school management committee. The board decided that children whose parents oppose the innovation may be excused from the lectures.

WEDNESDAY IN CONGRESS.

Senate.
Not in session.
Meets tomorrow.
Public lands committee reported bills for relief of settlers.

House.
Met at noon.
Debated proposal to investigate Mulhall lobby charges.
Passed resolution for inquiry into lobby charges.
Adjourned at 3:40 p. m., until noon Saturday.

MOUNT TAMALPAIS BURNING FIERCELY

FLAMES ON THREE SIDES OF MOUNT-
AIN CREEP TOWARD TOWNS

Trade Winds Whip the Flames Over
Trenches and Across Backfires
In Spite of All Efforts of the Fire
Fighters—Careless Campers Are
Blamed.

SAN FRANCISCO, July 9.—Mount Tamalpais, a landmark of California and the playground and park of all the cities clustered about San Francisco Bay, is burning fiercely tonight on three sides toward three suburbs. By day a mantle of white smoke, floating wind borne across the bay, like a streaming scarf has cloaked the shoulders of the mountain but at night the reflection from its glowing flanks is painted on the skies and its contours are lined in fire against the blackness.

Each morning has brought descriptive assurances that danger was past but each afternoon the summer trade winds pressing steadily in from the Pacific whipped the flames before them in charging armies that leaped from rim to rim of steep canons, across trenches laboriously hewed and spaded through the underbrush and into fresh tinder on the far side of acres burned bare by backfires. Careless campers are blamed.

"Three thousand soldiers, sailors, naval apprentices, forest rangers, militiamen and volunteer civilians are enrolled as fire fighters. In all the threatened territory women have worked almost as hard as the men cooking rations night and day. Shops are closed and business is at a standstill."

Today the fire ate its way west to the sea and into the Redwoods at the head of two canyons on the east and north side of the mountain leading to the towns of Mid Valley, Corte Madera and Larkspur. Fire at the edge of Muir Woods was temporary as it was soon under control.

The most exposed place is the beautiful estate known as the Garden of Allah owned by Raistoun Lovett White, and valued at \$1,000,000. This afternoon the garden seemed doomed. Tonight there was hope of saving it. Not before morning will its fate be known. The night winds have shown themselves most dangerous. Reliance on saving Mill Valley and other towns lies precariously tonight on a trench varying in depth from 65 to 135 feet which it is hoped will stem the fire from further progress toward Baltimore and Blythevale Canyons. Once the canyons are fairly ablaze it will take superhuman work to save the habitations at their mouths.

Think Several Places Burning.
Mill Valley, Cal., July 9.—Forest fire fighters who made their way down the Southern Slope of Mount Tamalpais believe that several places have been destroyed. Owing to an information as to the fate of the big trees could not be obtained.

DIRECTORS WILL FORFEIT PEKIN FRANCHISE

Will Turn Team Over to I.-M. As-
sociation—Another Team May Be
Dropped From League.

Peoria, Ill., July 9.—The directors of the Pekin Amusement Co., holding a franchise in the Illinois-Missouri League today wired President Cline that they would forfeit their franchise and turn the team over to the Illinois-Missouri association. On Tuesday the directors of the Pekin club held a meeting and decided to stay in the race for the balance of the year but when the hour for opening today's game arrived and there was but \$1.25 in gate receipts they decided to quit.

President Cline called a meeting of the directors of the association but up to late tonight no disposition had been made of the Pekin players. Manager Diehl of the Pekin team was instructed to return the \$1.25 collected from the baseball patrons at Pekin.

Officials tonight refused to give an opinion as to whether or not Pekin's withdrawal would mean the end of the I.-M. league. The opinion prevails that one other team will be dropped and the four remaining teams finish the season.

ALLEGED POST OFFICE ROBBERIES CAPTURED.

Chicago, July 9.—Four men believed by government officials to have been responsible for a series of postoffice robberies in Wisconsin were taken from a Soo Line passenger train to day after a struggle with detectives and arrested. Each of the men was armed with a loaded magazine pistol and carried about 200 rounds of ammunition besides a complete set of cracksmen's tools. The men gave their names as William Heilman, William Burns, Daniel Murphy and James Moore who says his home is in Kansas City. The men had boarded the train at Fond du Lac. The arrests caused much excitement among the passengers.

SPIRITED DEBATE OVER RESOLUTION

Denver, Colo., July 9.—At today's session of the American Institute of Homeopathy in annual convention here Dr. Henry Stout of Jacksonville, Florida, introduced a resolution requesting all members of the institute which also hold memberships in allopathic societies to withdraw from the latter organization. A spirited contest over this measure is predicted.

LOBBY PROBE O.K.'D BY HOUSE

Investigation Is Author-
ized to Supplement Pre-
sent Senate Probe

COMMITTEE APPOINTED

Special Committee Will Meet
Today to Arrange Plans
for Investigation

MAY BEGIN HEARINGS MONDAY

WASHINGTON, July 9.—A lobby investigation of extraordinary scope was authorized by the house today to supplement the senate probe now under way. With the passage of the Henry investigation resolution a special committee of seven members was immediately appointed by Speaker Clark, with Representative Garrett of Tennessee as chairman. The committee will meet tomorrow to make plans for the investigation of the probe at once. While the house investigation was prompted largely by the allegations of Col. M. M. Mulhall, regarding legislative activities of the National Association of Manufacturers, the resolution as finally passed so enlarged the scope of the inquiry that all efforts to control members of the house or to influence legislation by any person or organization will be subject to the inquisitorial power of the committee.

The speaker appointed with Chairman Garrett, Representatives Cline of Indiana, Russell of Missouri, Rodenberry of Georgia; Democrats; Willis of Ohio and Stafford of Wisconsin, Republicans and Representative Nolan of California, Progressive. Representatives Cline, Willis and Stafford are out of town and the chairman directed them tonight asking them to return at once. They probably will arrive some time tomorrow or Saturday and Chairman Garrett expects to begin hearings Monday.

The special senate committee today continued its inquiry into the activities of lobbyists concerned with the sugar and wool schedules of the tariff bill. The committee has not yet begun its probe of the Mulhall charges, although all of the correspondence and documentary proof has been classified and arranged for use as soon as the witnesses are called for examination.

Many Witnesses Ready.

Many of the witnesses involved in the Mulhall charges are already in Washington, summoned to take the stand before the senate committee. Among those are several former members of congress and the officers of the National Association of Manufacturers. The latter have asked Senator Overman to call about 40 former and present members of congress among them former Speaker Cannon, former Senator Aldrich, former Representative Watson of Indiana and others mentioned by Mulhall. Those witnesses will undoubtedly be wanted by both the senate and house committees. The resolution adopted by the house provides that all the hearings of the committee shall be open to the public. The fight against the resolution was led by Representative Levy, who opposed particularly the re-insertion of a provision allowing the committee to employ counsel. This was done by a vote of 102 to 104.

During the debate Representative McDermott of Illinois made a statement denouncing the use of his name in the Mulhall letters.

"On Sunday, June 29th," Mr. McDermott said, "an article appeared in the press of the country in which M. M. Mulhall accused me of being in the pay of the National Association of Manufacturers, this is unjust, an outrageous falsehood. I never received a cent from anybody belonging to this association. I have always cast my vote on the side of labor and my votes will show this fact. I am willing to let my record speak for itself with my people. I am ready to go before any committee at any time and trust this investigation will be most thorough. The results in my case will show a deep laid conspiracy against me by Mulhall and others."

Michaels Removed.

J. H. Michaels, charged with Mulhall with being a spy at the capitol in the employ of the National Association of Manufacturers was removed to day from the government rolls. Michaels was formerly chief of pages in the house, later a messenger acting as a doorman and several months ago was appointed an elevator conductor in the house office building upon the recommendation of Representative McDermott of Illinois. Colonel Mulhall charged that while holding the different positions at the capitol, Michaels was a principal spy of the manufacturers organization on the "undertakings" and the movements of representatives and received \$50 and upwards a month from the association. Sent. Woods removed Michaels as the result of disclosures and Speaker Clark to day signed the order appointing a temporary successor.

TRAINMEN WILL ASK WILSON'S AID

WILL CALL ON PRESIDENT MONDAY
TO ATTEMPT TO AVERT STRIKE

Are Confident Wage Dispute Can Be
Mediated if Congress Will Amend
Erdman Act—May Delay Calling
of the Strike.

WASHINGTON, July 9.—Representatives of railroad companies and trainmen's brotherhoods will call on President Wilson Monday to urge that he aid in preventing the threatened strike of 100,000 employees of eastern railroads by advocating immediate passage of amendments to the Erdman act.

Arrangements for the interview at the white house Monday were made tonight by Secretary Wilson of the department of labor who telegraphed the president at the request of the railroad men. Both the railroad officials and representatives of the trainmen are confident that their wage dispute can be mediated if congress will amend the Erdman act along the lines they recently suggested to congressional committees. They are not willing to submit their case to the three arbitrators authorized to act under the present law but would gladly put it into the hands of the enlarged board headed by a special arbitration commissioner which the proposed amendments would provide. Since the employees committee of one thousand meets Saturday to act upon the overwhelming vote of the eastern trainmen to strike, congress must act quickly in order to help the present situation. If the committee ratifies the strike vote as it practically is certain to do the officers of the brotherhoods probably will delay the call for the strike if the prospect is favorable for early action by congress.

Conference At Standstill.

New York, July 9.—Long conferences of representatives of conductors and trainmen of the eastern railroads were held today but the only development bearing upon the threatened strike of the 100,000 men involved in the wage dispute with the roads was a statement by President W. G. Lee of the trainmen's brotherhood containing further arguments for the increases demanded. This drew forth a reply from Chairman Elisha Lee of the conference committee of managers. Neither statement threw further light upon the probable outcome of the dispute.

Will Push Amendment.

Washington, July 9.—An attempt will be made Saturday to put through the house the bill amending the Erdman act to provide for an enlargement of the board of arbitration authorized in labor disputes on railroads. The bill already has passed the senate and in amended form has been reported by the house judiciary committee.

Members of the house have been urged to hurry the bill in order that its provisions may offer a solution of the dispute involving about 100,000 railroad trainmen and conductors who have demanded an increase in wages from the eastern railroads.

BECKWITH HAVENS ARRIVES SAFELY AT MACATAWA PARK

Makes Trip of 45 Miles From South
Haven Against Strong Wind in 56
Minutes.

Macatawa Park, Mich., July 9.—Beckwith Havens, contestant in the Chicago-Detroit flying boat cruise, arrived here shortly before 7 o'clock this evening. In the hydro-aeroplane with him was the owner of the machine J. D. R. Van Planck. The trip from South Haven to Macatawa Park, 45 miles, was made against a strong wind in 56 minutes. He proceeded immediately by water to Kenosha Park where he reached his machine for the night. The journey will be resumed tomorrow morning.

Francis at South Haven.

South Haven, Mich., July 9.—Roy Francis reached here on his flying boat at 5:20 p. m. after taking gasoline. He attempted to get away from Macatawa Park but collided with a floating log near the end of the piers. One of the propellers was broken and Francis drifted nearly a mile below beach before he was picked up by the life savers. Francis hopes to have repairs made in time to resume the trip tomorrow afternoon.

ELKS WILL ERECT \$260,000 NATIONAL HOME BUILDING

It Has Not Yet Been Decided Where
Home Will Be Located But
Contractor's Bid Has Been Accepted.

The Grand Lodge of Elks, in 49th re-union here to day, accepted the \$260,000 bid of a Salt Lake City contractor and will build a new national home. It has not been decided where the home will be located.

At the night session which lasted until nearly midnight, a report was made on the proposal for a tuberculosis home for Elks. Grand Secretary Fred C. Robinson, of Dubuque, Ia., declined to make public the report and the action taken. Charles A. White of Chicago was elected exalted treasurer. The other candidates withdrew.

ROCKFORD MAN ELECTROCUTED

Rockford, Ill., July 9.—Herbert Backus was electrocuted here today while attempting to remove an electric wire that had been broken during the tornado of Tuesday. Mr. Backus feared his children might catch hold of it and meet harm.

GOV. DUNNE WILL LEAVE SPRINGFIELD TUESDAY

EXECUTIVE IS KEEPING HIS DESTI-
NATION SECRET

Will be Accompanied by His Chief
Political Adviser and May An-
nounce Some Important Appoint-
ments Upon His Return.

SPRINGFIELD, Ill., July 9.—Governor Dunne has planned to leave Springfield next Tuesday for a rest. He is keeping his destination secret, announcing only that he will be accompanied by his private secretary, William L. Sullivan, and county treasurer William L. O'Connell of Cook county, his chief political adviser. When the governor returns he will probably announce several of his most important appointments. He will not at that time give any information who he is to appoint as members of the public utilities commission, but it is stated authoritatively that Fred J. Kern, Belleville, is sure of a berth on that commission. The new utilities commission law does not become effective until July 1, 1914, and the governor will not announce his selections until after that time. From best information obtainable the following are said to be most likely selections as utilities commissioners with salaries of \$10,000 each: Fred Kern, Belleville; George W. Pithian, Newton; Samuel Alschuler, Aurora, all Democrats; Charles E. Merriam, Chicago, Progressive; Richard Yates, Springfield, Republican.

Summoned to Appear.

Twenty-two employees of the state grain and state food inspection departments have been summoned to appear before the state civil service commission in Chicago, July 27, to show cause why they should not be classified as temporary employees and be superseded by persons on the classified lists.

The commission charges that the employees cited were put on the state payroll after midnight of June 30, 1911, that the state civil service law went into effect at midnight that night and that the twenty-two appointees cannot legally retain their places.

Bank Permits.

Auditor of Public Accounts Brady today issued the following permits: To George M. Reynolds, A. O. Esmond, A. C. Wylie, N. J. Cary, James Bauman and Kimball M. Land, to organize the Utica State bank at Utica, LaSalle county, with a capital stock of \$25,000.

To John Sherwin, Frank N. Tomlinson, Louis B. Jolley, James T. Hayes, Earl P. Sedgwick, C. Oliver Holmes, Orin D. Goss, William Hamlet and Jacob Kukar, to organize the Lake County State bank, at North Chicago, Lake county, with a capital stock of \$50,000.

Pass Civil Service Test.

The following Chicagoans have passed the state civil service test: Library assistant, Mary B. Love; interne, Glenn O. Dayton; dentist, Waide Doty.

Successful Mimic War.

The first infantry, Illinois national guard, enjoyed the successful mimic war today. The first battalion Major Davis and the second battalion under Major Cline detoured through the woods. The third battalion supported by the machine gun squad pursued the other two battalions.

There were tactical moves for advantageous positions and finally a pitched battle over which Major Muller of the United States regulars acted as referee. He gives both sides credit for equally excellent service.

DR. MULLER LEAVES CHICAGO FOR THE EAST

Makes Inspection of Steel Mills at
Gary—Gives Summary of His Im-
pressions.

Chicago, July 9.—Dr. Lauro Muller, Brazilian secretary of state and special envoy to the United States late to day departed for the east on the last leg of his thirty day tour of this country during which he traveled approximately 10,000 miles and visited the principal points of interest in nineteen states. After an inspection of the United States steel corporation's plant at Gary, Ind., 27 miles from Chicago, Dr. Muller gave a summary of the varied impressions during his extended trip.

The distinguished visitor declared that the east impressed him greatly for its culture, art and commerce and that the west had made an equally great impression because of its usual scenic beauty and the variety of natural resources.

Speaking of the Panama canal Dr. Muller said the opening of the waterway would equal in importance the discovery of the Pacific ocean.

"The Panama Canal," Dr. Muller said, "is the greatest individual achievement of the century for the peoples of North and South America. The Atlantic is the ocean of present, but the Pacific is the ocean of the future and the opening of the canal will give commerce on west a tremendous impetus."

TAKES LONG MOTOR RIDE.
Cormish, N. H., July 9.—President Wilson and his family took a long motor ride down the Connecticut river valley late today, making a wide circuit of the country surrounding the summer capital. They went along the Vermont side for many miles and returned along the New Hampshire road.

Earlier in the day the president motored to Hanover for nine holes of golf.

PROVISIONS MAY BE TIED UP IN COURTS

Republican Leaders As-
sert Courts Would Have
to Interpret New Laws

WILL HOLD REVENUES UP

Revenues Would be Held Up
Possibly for Years Awaiting
the Court's Decision

FINAL DRAFT IS COMPLETED

WASHINGTON, July 9.—If the tariff revision bill becomes a law as it has been passed upon by the senate Democratic caucus, many of its provisions will be tied up in the courts for interpretation, in the opinion of Republican senate leaders. Senator Smoot, Republican member of the finance committee declared to day that changes in phraseology and re-classifications in the bill are such that it would take four years of court procedure to settle just what they mean and that revenues in the meantime would be held up.

"Importers," said Senator Root, "have lawyers engaged for no other purpose than to pick out flaws or alleged flaws of phraseology and legal precedents that have been established by past court decisions will avail nothing in this bill."

The Democratic senators in view of the failure of the caucus to pass a stringent binding resolution are going to be permitted to vote for amendments to the wool and sugar schedules is another claim made to day by Republicans.

They expressed the belief that amendments would pass the senate cutting out free raw wool and free sugar but that the house conferees would insist upon the original provisions; that the senate conferees would yield and that all the Democrats finally would approve the conference report.

The final draft of the Underwood Simmons bill was completed tonight by majority members of the finance committee and sent to the printer. Chairman Simmons is expected to report it to the senate.

Agree on Amendment.

Secretary McAdoo issued a statement tonight announcing that he and Chairman Owen and Glass of the senate and house banking and currency committees had agreed on an amendment to the currency bill which would retain the circulation privilege for the United States two per cent bonds during the entire period of 20 years over which it is proposed to retire the existing \$700,000,000 issue of National bank notes secured by the bonds. It has been declared by critics of the bill that the recent decline below par in the market value of the 2 per cent bonds was due to the provisions of the bill, limiting the bond secured circulation of the banks to the amount outstanding when the bill should become law, thereby depriving the bonds of the circulation privilege and decreasing their investments value.

Examination of several features of the administration currency bill was begun to day by the currency and banking committee of the chamber of commerce of the United States in special session here. It is probable several days will be consumed in discussion before the committee prepares a report for the board of directors. It was said at the headquarters of the chamber that the committee is not opposed to the bill as it stands but believes it needs strengthening in several particulars.

RUN ON BANK SUBSIDIES

Pittsburg, Pa., July 9.—Conditions in financial circles at the closing hour to day had to all appearances reached normal. The run on the Pittsburg bank for savings which was started by the closing of the First Second National on Monday had entirely subsided early in the afternoon, after a resumption of the run this morning had caused some slight anxiety.

Further developments in the affairs of the First-Second National were not looked for until receiver C. C. Murray had had opportunity to organize his force.

WEATHER INDICATIONS AND TEMPERATURES

Washington, July 9.—For Illinois: Fair Thursday and Friday; warmer Friday, north portions, light to moderate north winds, becoming variable.

Temperatures.

Chicago, July 9.—The current, maximum and minimum temperatures for to day were:		
Current.	High.	Low.
Boston	72	64
New York	72	68
New Orleans	86	78
Chicago	71	63
Detroit	76	68
Omaha	80	72
St. Paul	74	66
Helena	88	70
San Francisco ..	64	58
Winnipeg	63	40

EDUCATIONAL BILLS WIDE IN EFFECT

TIUITION MEASURE LIKELY TO
ENCOURAGE TOWNSHIP HIGH
SCHOOLS.

Certifying Law Purposes to Increase Efficiency of Teachers—
Three Class of Certificates—Officials Can Levy More Tax Money For General Expenses.

The last legislature passed a number of educational bills which will be far reaching in their effect and it will probably take a somewhat extended period to accurately judge the benefits resulting from these laws. In conversation Wednesday afternoon, Supt. H. C. Montgomery answered a number of questions about these laws but expressed no particular opinion as to the good or bad results to be expected. Among the laws is the one making it compulsory upon school districts without a high school to pay high school tuition in adjoining district for pupils who have finished the 8th grade and desire a high school education. Another measure is known as the "certifying" law making rules and regulations concerning teachers certificates, the purpose of course being to raise the qualifications for teachers. A third law changes the per cent which school officers may raise for general school purposes from one and one half to two per cent.

Will Encourage New Schools.
The effect of the tuition law will probably be to encourage the erection of high schools in districts now without them. Only high school having a four year course of study can secure the benefit of this law and Jacksonville, Waverly and Franklin are the only school of this class in Morgan county.

CONCORD.

Glenn Filson who has been employed with signal department at Mendota, Ill., and West Burlington, Ia., visited his parents over the fourth and returned to his duties Monday.

Mrs. Louis Yeck visited her son, Homer and family at Browning recently.

John Daly of East St. Louis visited his mother, Mrs. Arch McConnell and other relatives the last of the week, he is one of the valued employees of the C. B. & Q. railroad.

Mrs. John Perkins and children of Greenfield visited relatives and friends in Concord the last of the week.

Miss Irene Valentine visited friends in Litterberry and vicinity over the fourth.

Cleon McConnell and family are residing in Roodhouse at present, he being in the railway service there.

Miss Fay Hamilton of Newark, New Jersey is visiting her grandmother, Mrs. Arch McConnell and her uncles, Messrs. Edward and Jay Newton and other relatives and friends.

Mrs. John Mick and daughter, Corinne spent the fourth in Jacksonville.

Mr. and Mrs. Ed. Smith and little daughter, Mabel of Arenzville visited Mr. and Mrs. Spencer Smith the fourth.

Frank Caldwell of Jacksonville spent the fourth with relatives in Concord.

Mr. and Mrs. Edward Newton entertained Miss Fay Hamilton of Newark, New Jersey, Mr. and Mrs. Jay Newton and others the fourth at their beautiful home.

Mrs. Mary Gaddis is quite indisposed at present.

Messrs. C. J. and Jas. Roach are each quite poorly at present.

Miss Flora Filson is not in her usual good health.

Jas. Cooper was not as well as common so his friends say.

V. I. Ball spent Sunday in St. Louis and brought his son, Frankie home with him, he having been there a week.

Mr. and Mrs. Austin Smith and little Jas. Byron, spent the fourth at the Grace Chapel celebration.

Miss Carrie Deitrich is visiting in New York at present.

\$2.50 Round trip to Chicago via Wabash.

EAST UNION.

Those visiting at Harry Gilmore's Sunday were Misses Lois Cain, Edith McPherson, Lena and Gladys Garner, Ollie and Urlina Walker, Gussie Windsor and Willey Goacher and wife and Grandma Oren Alred.

Those visiting with Thomas Cooley and wife Sunday evening were Elmer Heron and family and Misses Ruth Windsor, Amy Jones and Hazel Bridges, and Messrs. Earl and Howard Cardwell and Dave Castleberry, Lester Hawkins and Thomas Israel.

The Best Medicine in the World.

"My little girl had dysentery very bad. I thought she would die. Chamberlain's Colic, Cholera and Diarrhoea Remedy cured her, and I can truthfully say that I think it is the best medicine in the world."

writes Mrs. William Orvis, Clare, Mich. For sale by all dealers.

At Murrayville, for example their high school course is for two years only and so it will be possible for residents of that school district to attend the Jacksonville High school or some other near by school district where a four year high school is maintained and have the tuition paid from the general taxation in the district where they live. To avoid this it would be a natural thing for the school officials to take steps to change the high school course at Murrayville into four years and the school would then be fitted to accept pupils under the new law. It would be likely to happen too in the course of time that when the tax payers in the districts mentioned found that they were compelled to pay a school tax for high school tuition that they would decide that it was just as well to establish their own township high school, with the advantages near at home as it would be to pay the tuition costs in a school located elsewhere. The tendency of the new law would therefore seem to be toward the establishment of township high schools and toward enlarging of the courses of schools which do not provide for four years training.

As the tuition law specially says that the tuition must be paid in an established high school which meets certain qualifications it is likely that private preparatory schools will suffer some losses. If for example a farmer has a son or daughter to send to school and the tuition in a private institution is \$80 or \$70 a year and he can secure tuition in a high school free because the same is a tax against the district in which he lives he will be very likely to patronize the high school rather than to pay from his own pocket the tuition expense of a private school.

Teachers Certificates in Three Classes
The certifying of teachers changes the present law in a number of respects. Under the old law there were two classes of certificates and under the new there are three. The purpose of the law as suggested above is to require more thorough preparation for their work from teachers. Legislation of the same kind has been pending for a number of years and has been accounted a normal school measure as the law will undoubtedly result in much larger attendance at the Normal schools of the state. For a considerable time there has been a difference of opinion among county superintendents and other officials as to the wisdom of this law but now it is to be tried out. The requirements for a third grade teachers certificate are the oldest and under the new law a person who has finished the 8th grade and who is able to pass the prescribed examination can secure a third grade certificate good for one year. If the applicant teaches successfully that year the certificate can be renewed for another year. Or if the applicant after receiving the certificate does not teach but takes normal training for 6 weeks then the certificate can be renewed. However, if a young man or woman secures a third grade certificate and during the year does not teach, or take the six weeks normal training then he or she is forever barred from securing a third grade certificate.

More Training Essential.
If the holder of a third grade certificate wishes for one year or has the certificate renewed for another year on account of the training at the end of the 2nd year the certificate can not be renewed for any reason. However a prospective teacher is eligible for a certificate of a second or first class certificate which make larger requirements for normal or other training. The idea of the bill of course is to make it compulsory for teachers not to merely stop with the lowest grade certificate obtainable but to take the training necessary to qualify for the higher grade certificates.

The change in the revenue law will make it possible for school officials to raise 33-1-3 per cent more for general school purposes than has been true in the past. No increase however is allowed under the law for building or repair purposes, the per cent remaining one and one half.

Soft shirts for warm weather can be found at Garland & Co., in every style and at various prices.

MORGAN.

Mr. and Mrs. George Coling and son spent Thursday and Friday with Mr. and Mrs. George H. Coulson and attended the celebration at Chapin. Chester Williams, John Taylor and Larkin Owens went on the excursion from Meredosia to Beardstown the fourth.

W. G. Benson of Rock Island passed through Jacksonville yesterday in his Buick car on his way to Carrollton.

CHRISTIAN ENDEAVORERS MEET

Twenty-Sixth International Conference Being Held At Los Angeles.

Los Angeles, Cal., July 9.—Los Angeles today is a sea of crimson and white. Flags, festoon, streamers and banners decorate in profusion public and private buildings, business blocks and residences. Crimson and white are the colors of the Christian Endeavor union, and the citizens of Los Angeles take this method of expressing their welcome to the 26th international Christian Endeavor convention. Preliminary to the big welcome demonstration in Fiesta park tonight the annual meeting of the United Society of Christian Endeavor was held today. Subsequently the trustees held their annual meeting for the consideration of reports of officers and committees and the transaction of other routine business.

The regular program of the convention will be taken up tomorrow morning, when 10,000 enthusiastic young delegates will fill the tent in Fiesta park and listen to addresses by "Billy" Sunday, the noted evangelist, the Rev. Dr. J. Balcom Shaw of Chicago, and Hon. J. A. McDonald of Toronto.

Each day of the convention noonday open air services will be held, conducted by a corps of trained evangelists. Practically every church in the downtown district, together with many halls and other meeting places, have been reserved for the side conferences. At these conferences, in which many noted pastors and church workers will take part, there will be discussions of Bible study plans, social purity work, junior efficiency methods, prison department effort, new methods in missionary work, good citizenship plans and special efforts for boys and girls.

The notable guest of the week is Rev. Dr. Francis E. Clark, "father of Christian Endeavor," who, with Mrs. Clark, will take a prominent part in the sessions of the coming six days. President Clark will deliver his annual address to the convention tomorrow night. The address will be followed by the annual report of William Shaw, the general secretary, showing the progress of the past year in home and foreign branches of the Christian Endeavor society.

Greetings were presented to the convention from President Woodrow Wilson, Secretary of State Bryan, Dr. Kovatz, acting vice-president of the Hungarian Christian Endeavor union, and Akoko Akana, president of the Endeavorers of Hawaii.

President Wilson's message read: "It would be a great pleasure to me if I could attend the convention. Will you not convey to those assembled my warmest greetings and my most sincere wishes for the happy success of their work?"

Secretary Bryan's letter said in part: "As you know I feel deeply interested in the Christian Endeavor movement and appreciate its extended growth and great usefulness. It is one of our largest instrumentalities for Christian service and I feel sure its future labors will surpass its present activities."

The election of officers was a perfunctory affair.

Dr. Francis E. Clark, founder of the society, was unanimously re-elected. All other officers also were re-elected.

CAN WOMEN BE BARRED FROM SALOONS?

Lively Discussion by Council of Peoria Heights.

Peoria, July 9.—The question of whether a woman can be excluded from a saloon, now that she is a voter, was brought to the attention of the trustees of Peoria Heights, when a motion was made to bar minors and women from saloons and to force dram shop keepers to close their places at midnight as the law provides.

A lively discussion was precipitated on the original motion. Trustee Larson was on his feet in a minute after the motion had been presented, registering a protest against the suggestion that women have the right of suffrage. Mr. Larson contended, they had the same right to enter a saloon that is given to men.

Under old city ordinances, women are prohibited from entering wine rooms, but whether they could be excluded from buying a drink over a bar was more than he was prepared to say.

WITNESSED PAGEANT.

W. I. Tilton has returned from Peoria where he witnessed the great pageant commemorating the foundation of the city which lasted through three nights and drew a crowd of over 20,000. It related the history of the Illinois valley from the days before LaSalle and Tonti, down to 1913. Springfield is thinking of staging a similar pageant in the fall.

Mr. Tilton also attended the annual picnic given by B. Frank Brown Printing company. Mr. Brown took two hundred of his employees and their families and friends on the steamer "Columbia" to Chillicothe, where everything in keeping with the picnic idea was carried out.

AUTOMOBILE VISITORS.

Harry L. Nichols and family of Delavan Ill., were in the city yesterday enroute to Louisiana. Mo. They were in a Regal automobile.

W. H. Green of Bluffs was a visitor in Jacksonville yesterday in his R. C. H. car.

Dr. G. O. Webster was a professional caller in the city yesterday from Murrayville in his White Gas.

Mr. and Mrs. Elmer McCullough and family of Riggston were visitors in the city yesterday in their Case car.

WILL SOON RECOVER.

Physicians at the Jacksonville State hospital believe that Edward S. Sharp of Cascade, Ill., who became insane last Saturday, and seriously wounded two men, will, in a few months, be corrected of his mental trouble.

PLAN FOR IMPROVEMENTS IN SNY ISLAND LEVEE DISTRICT

Commissioners Have Employed Expert and Arranged For Topographical Survey of the Big District—Embraces 110,000 Acres.

A number of Jacksonville people who own farms in the Sny Island Levee Drainage District will be interested in knowing that the commissioners of the district have recently completed arrangements for a complete survey of the district and for a comprehensive plan of improvements by a unit system.

Major Elliott is Advisor.

Major Elliott, who was for years connected with the land and drainage work of the United States government and whose testimony in the Florida Everglade cases a few months ago attracted so much attention, recently spent two days with the commissioners and in an automobile went all over the district. This well known engineer has been employed to formulate a plan for the improvement of the whole district, but a plan which can be handled by sub-districts. A topographical survey of the district will be made, elevations being secured on all sectional lines, running from the bluff road west to the levee proper. From this map Major Elliott will be able to work out betterment plans by a system of units. These plans can be laid before the property owners within the area described and it will then be optional with them as to whether they wish the work done.

Local Engineers Employed.

The commissioners have made a contract with the Jacksonville Engineering company to make the topographical survey which will form the basis for Major Elliott's plans. L. V. Baldwin of this company and C. H. Blomberg, an employee, went to Hulls Wednesday to meet E. J. Chamberlain, the permanent engineer of the district, and will begin work at once. It will take six weeks or more to make the survey and afterward the contour map will be made showing the location of all creeks, ditches and sloughs in addition to the general elevation figures. Mr. Baldwin has had large experience in such work.

The commissioners of the district are Capt. H. B. Atkinson of New Canton, J. C. Gay of Rockport and E. H. Seehorn of Quincy and they seem to have hit upon the right course in arranging for Major Elliott's services and for the topographical survey. With this accurate information as the basis, plans can be worked out which will no doubt result in the continued bettering of conditions throughout the entire district.

Sny District is Large.

The Sny district is more than fifty miles in length and embraces 110,000 acres of rich land. The money which has been raised by special taxation has been largely spent on the Sny ditch and it is now being deepened at large expense. There are land holders, however, who occasionally have trouble from overflow or back water who claim that their troubles come from the creeks and that the general improvement will not help them. To satisfy all concerned and to arrive at some system which will offer benefits to every land holder, the commissioners began upon the plan which has been outlined above.

LARGE YIELD OF WHEAT.

Farmers throughout the country are busy threshing wheat and as a rule the yield is better than had at first been anticipated. E. E. McPhail has threshed 11 acres on his farm north of the city which made 41 bushels to the acre and weighed out 62 pounds. Reports also come from M. E. Smith that he had a piece of land which made 42 bushels to the acre and tested 62 pounds. George Barnhart of the Woodson neighborhood threshed Tuesday and had a twenty acre field which produced 35 bushels to the acre and Louis Wahl of the same community got 570 bushels off of 20 acres. Al Chatman of Litterberry had in 20 acres which made 27 bushels. The wheat as a rule is of splendid quality and should command a good market price.

WITH THE SICK.

A. W. Becker who was a patient at Our Savior's hospital for a several weeks and who has since been sick at his home on East North street was able to drive down town yesterday. Mr. Becker is still having trouble with his feet and ankles and is not able to walk.

The venerable J. W. Crum of Litterberry is in very feeble health. He is now 87 years of age.

REV. A. A. WHITE HERE.

Rev. A. A. White of Tuscola, formerly superintendent of the Methodist Episcopal church, spoke at the prayer meeting services at Grace church Wednesday evening. Rev. Mr. White, who is accompanied by his wife, has just returned from a business visit in Oklahoma and they are guests at the home of Rev. and Mrs. J. W. Miller. They expect to leave to day for Springfield and from there will go to Farmer City for a visit with their daughter.

BIG SWAN IMPROVEMENTS.

Plans have been made by the Jacksonville Engineering company for improvements in the Big Swan drainage district in Scott county. The improvements would include raising and straightening the levee and the estimate cost is \$56,770. If this improvement is made the cost would be spread over a number of years.

HONORED WITH OFFICE.

At the recent meeting in Quincy of the 75th annual session of the Wood river Sunday school convention, Mrs. Laura Lafayette of Jacksonville was chosen as one of the vice-presidents.

ILLINOIS TAKING COMPLETE
CHARGE OF INSANE WARDS

Action of the Administration Board
in Removing Demented From
Alms House is Commended By
Medical Magazine.

The Therapeutic Gazette in a recent issue has an article under the head "Complete Care of Insane in Fact in Illinois." The magazine commends the action of the board of administration in taking steps to have insane people not regularly committed, but resident in alms houses, transferred to hospitals for the insane. The facts related are as follows:

"Of paramount importance in the history of public care of the mentally afflicted is the proclamation by the state board of administration, notifying the people of Illinois that its hospitals for the insane are now able to house and treat all its legally committed insane and that henceforth it will be in fact this sole custodian.

"Respecting the spirit of the law, the board has commenced a campaign to secure the legal commitment of those alms house inmates who are classified as insane, but who have never been the subject of inquisition. Of these there are about two hundred scattered throughout the state. The board interprets the law to mean that it is the state's policy to care for and treat all of its people who, through mental impairment, are charges upon the public.

"This proclamation releases the several counties of all expense for the maintenance of their indigent insane in state hospitals.

"To make even this loss, the state has provided that patients or their relatives, when able to, shall bear some of the burden. In the act creating the state board of administration provision is made for the collection, by that agency, of compensation from the patient, his estate or his relatives for his maintenance in a state hospital. The revenue from this source, it is expected will equal that lost by the release of the county or responsibility for the expense of indigent patients. Those who are able to pay the state for their care and treatment in a hospital, either direct from their own funds or indirect from those of relatives, must do so. The board of administration is charged to make such collections.

"The law gives the board discretionary power to determine the ability of a patient or his relatives to pay, either all or part of his maintenance. Where such conditions exist that the payment of this expense to the state would deprive the patient's dependents of the necessities of life or would contribute to their dependency, the board is authorized to suspend the operation of the support section of the law.

"The board is equipped to make the proposed investigations upon which to base conclusions in such cases.

"One effect of the proclamation is the removal of the county 'quota' limitation. From this time on hospitals must take all insane and provide places for the, irrespective of county bounds or population. To do this the state must continue its building program upon extensive lines. The capacity of our hospitals is now fully exhausted. We mean by this that it is impossible to crowd more people into the given space. Air space requirements some time ago were abandoned.

"The net annual increases in the population of these hospitals during the biennial period of 1913 and 1915 is estimated at five hundred and twenty-seven. This figure is based upon the percentage of increase which has prevailed for a number of years in Illinois and other states.

"During the twelve months succeeding July first, 1913, the state must make accommodations for 527 new patients in excess of all discharges and deaths, at \$600 per bed. This net gain means an expenditure of \$316,200 for housing, to say nothing of the increases necessary in power houses, laundries, quarters, attendants, repairs and the ordinary every-day maintenance.

"To kill two birds with one stone has ever been good commercialism. To meet the problem of this increase in insane, it is proposed as a partial solution that the erection of employees' quarters be continued at all hospitals. It costs less to build for employees than for insane patients. At present, in most of all the institutions, these employees live in the wards with the patients and the quarters frequently are large enough for double the number of patients.

"Therefore, for every employee removed from the wards, capacity for two patients is provided. There is a financial profit in this exchange and at the same time it affords the employee what is his due, a private quiet and homelike place in which to sleep and spend his time off duty.

"Considering these figures of net annual increase in patients, one is almost appalled at the future. The ideal hospital for insane is one of 1,500 or 1,600 capacity. At the rate of four hundred increase each year, Illinois can fill a new hospital every four years.

"The proclamation does not, therefore, merely satisfy humane prompting to care for this class of sick in the best known manner—I, e. in state hospitals; it imposes a heavy burden upon the taxpaying public. It imposes a responsibility upon intelligent, humane men and women to arouse themselves to a sober consideration of what mental instability and mental defectiveness means to the race of the future.

"What are the causes of mental instability and mental defectiveness and what preventive measures are possible? Attention must be given to these questions by the men and women in the every-day walks of life. If humane instincts and charitable regard for the fallen and the ailing are not strong enough to awaken the public, the burden of expense, striking at the vitals of our

every-day existence, the pocketbook, probably will arouse it.

"For years these hospitals stood almost still. Every county had a quota and when that quota in the state hospital was full, the excess of insane was shipped into the cellars and dungeons of the almshouses, whence they were resurrected under the law of 1907, which committed the state to complete care of the insane and directed that the state hospitals should be enlarged and developed; that the almshouses outside of Cook county should first be emptied of their insane and then the state should take over the Cook county hospital for insane, known as Dunning. This law prohibits the commitment of an insane person to the county almshouse or the transfer of any such patient from a state hospital back to a county almshouse.

"Since the passage of this law in 1907, the process of building and enlarging hospitals and the transfer of patients has been in progress. Approximately 5,000 insane patients have been provided for and transferred to state hospitals, since that date. When the state took over Dunning last July first, 2,800 were accepted by one stroke of the pen.

"This proclamation announcing that the state is now prepared to take care of all its insane, means an increase of state expenses, but it also means a decrease of county expenses. It means for these distressed and most unfortunate of men, good quarters, safe from fire and contagion, warmth, proper clothing, wholesome food and plenty of it, clean bodies, a chance to work, or those who desire to work and above the opportunity that modern science offers to mentally afflicted for recovery, or if not for recovery, at least improvement. This proclamation places Illinois in the very vanguard of progress as a humane agency for the alleviation of suffering and pain. Only three other states in the union have preceded Illinois in the complete state care of the insane, and there only by a short time."

WILL TOUR PALESTINE.

Rev. F. W. Burnham, pastor of the First Christian church of Springfield, has been granted a three months' leave of absence by the official board of the church. In company with Rev. Mr. Idleman of Des Moines, Ia., Rev. Mr. Kilton of St. Joseph, Mo., and Rev. Grant Speer of Toledo, Ohio, they will visit Palestine.

WILL AWAIT REPORT OF
NATIONAL BANK EXAMINER.

Washington, July 9.—Secretary McAdoo tonight decided to await the report of National Bank Examiner Samuel Hann, who has been investigating the failed First-Second National bank of Pittsburgh, before calling up Attorney General McReynolds to take up the question of whether the national bank act was violated in any of the operations of the institution. Immediate reference of the situation to the department of justice was considered by the treasury department early in the day but this plan was changed to conform to the usual procedure.

National Bank Examiner Williams, in charge of the First National bank of McKeesport, Pa., which closed its door simultaneously with the Pittsburgh bank, reported that arrangements were being made to resume business within a week.

LETTER REVEALS
VESSELS FATE

New Castle, England, July 9.—First knowledge of fate of his ship Mount Oswald, which with her crew of 24 men was never heard of later her departure from Baltimore for Hamburg on February 17, 1912, was shown in a letter from Captain Stannard to his wife read today during the board of trade inquiry into the loss of the vessel. In this letter set ashore at Baltimore, Captain Stannard said:

"We have twelve feet of water in the forepeak and are not yet out of harbor. God knows whether we shall ever reach home. The sailors are now working at the pumps. I wanted the ship drydocked at New York but the owners would not allow it."

IS INVESTIGATING
LAMAR'S ACTIVITIES.

New York, July 9.—United States District Attorney Marshall admitted today that he was investigating the activities of David Lamar with a view of bringing them to the attention of the grand jury if the facts warrant. Lamar is the man who has declared it was he who persuaded congressmen in telephoning about certain matters connected with legislation before congress.

BRYAN COMPLETES
REPLY TO JAP NOTE.

Washington, July 9.—Secretary Bryan has practically completed preparation of the state departments reply to the second and third Japanese note of protest against the Californian alien land law. It is expected that the reply will be delivered to the Japanese ambassador in the course of two or three days.

CONFER WITH COMMISSION.

Washington, July 9.—The executive committee of the National association of State railway commissioners met here today to outline plans for co-operating with the interstate commerce commission in the work of making a physical valuation of the railroads of the country. Further conferences will be held.

PARDONED BY GOVERNOR

Boston, July 9.—David D. Farnsworth, a writer who formerly lived at Seabrook, Ill., was pardoned today by the governor's council. He was serving a six months sentence for killing Thomas Hagan while firing a gun in the dark to frighten supposed chicken thieves.

RECALLED TO BERLIN.

Berlin, July 9.—Bernard Von Ruedow, attaché at the German embassy at Washington was recalled to Berlin today to take a position at the foreign office.

That Wonderful Event

IF THERE is a time above all times when a woman should be in perfect physical condition it is the time previous to the coming of her babe. During this period many women suffer from headache, sleeplessness, pains of various description, poor appetite, and a host of other ailments which should be eliminated in justice to the new life about to be ushered into this world.

DR. PIERCE'S FAVORITE PRESCRIPTION

is a scientific medicine carefully compounded by an experienced and skillful physician, and adapted to the needs and requirements of woman's delicate system. It has been recommended for over forty years as a remedy for those peculiar ailments which make their appearance during "the expectant" period. Motherhood is made easier by its use. Thousands of women have been benefited by this great medicine.

Your druggist can supply you in liquid or tablet form, or you can send 50 one-cent stamps for a trial box of Dr. Pierce's Favorite Prescription Tablets, to Dr. Pierce, at Invalids' Hotel and Surgical Institute, Buffalo.

It is your privilege to write to Dr. Pierce for advice, and it will be gladly given free of charge. Of course all communications are confidential.

CATTLE FEEDERS WILL INSPECT BEEVES FED AT UNIVERSITY

Program to be Held in Connection With Picnic July 15.

The Illinois Cattle Feeders' association will hold a picnic on the university campus, Champaign-Urbana, July 15, 1913. The experiment station has 75 baby beefs on feed that will be ready for market at that time. These calves have been fed in five lots of 15 each. They were started on feed December 14, and all lots have done exceptionally well, none falling below an average daily gain of 2 pounds and one lot has made an average daily gain of more than 2 1/2 pounds. Lot 1 has received a ration of shelled corn, cotton seed meal and corn silage—no other roughage. Lot 2 received exactly the same kind of ration as Lot 1 during the first half of the feeding period, then the silage allowance was reduced one-half and alfalfa hay introduced to furnish the balance of the roughage. Lot 3 has received a ration of shelled corn, cotton seed meal, corn silage and alfalfa hay throughout the experiment. Lot 4 was fed shelled corn and alfalfa hay. Lot 5 received the same as Lot 4 with the addition of oats.

During recent years there has been a marked tendency toward the use of younger cattle in the feed lot. In fact, in some localities it is becoming difficult to secure heavy feeders of desirable breeding and quality. Hence the results of this experiment should give timely information to all interested in cattle feeding problems. This meeting will afford ample opportunity to inspect the cattle in the feed lots and to discuss the results of the experiment will be a prominent feature of the program. Besides these baby beefs the university has more than a hundred other experimental and specimen beef cattle; these and other classes of livestock may be inspected at that time.

The address of the day will be delivered by Director Charles E. Thorne of the Ohio Experiment Station, on "The Relation of Cattle Feeding to Soil Fertility." Dr. Thorne tells a wonderfully interesting story based on the history of two farms hewn out of the white oak forest in Ohio almost a hundred years ago. Beginning with two brothers of thrifty German ancestry as the original owners, the virgin soil responded bounteously: large barns and two fine homes, one of stone and one of brick, were erected—elegant monuments to the fertility of that virgin soil. But continuous cropping with little or no use of manures or other fertilizers, reduced the productive capacity to a very low point. This much of the story is the story of thousands of farms throughout the eastern half of the United States. But Dr. Thorne's own story begins when these two farms came into the hands of the Ohio Experiment Station about twenty years ago. Upon them were established different systems of farming: some fields received no fertilizer of any kind, some received commercial fertilizers, some manures, and some received a "balanced ration" of manure and various kinds of commercial fertilizers. These experiments stand alone as a source of information on different systems of farming. Dr. Thorne is without doubt the foremost authority in America on the value and use of farm manures. His interpretation of the results of his experiments will be given in his discussion of "The Relation of Cattle Feeding to Soil Fertility." His address will generously repay any farmer for a trip to the university.

The program will begin promptly at 10 a. m. The meeting will be held in the Agricultural building or on the campus, depending upon the weather. No cattle feeder can afford to miss this meeting.

Program.
 10 a. m. President's Address—Clyde Ford, Geneseo, Ill.
 10:15 a. m. Presentation of results of recent experimental work in beef cattle—Henry P. Rusk.
 10:50 a. m. General discussion.
 1:10 a. m. Visit cattle feeding plant and study the results of various rations as shown by finish of steers in lots.
 1:30 p. m. Address, "The Relation of Cattle Feeding to Soil Fertility"—Charles E. Thorne, director Ohio Experiment Station.
 2:30 p. m. Short business meeting.

Guides present before and after program to show visitors the university and experiment station fields.

BIDS WANTED.

The city will receive bids for an electric generator and engine, to comply with the following specifications:

200 K. W. 3 Phase, 60 cycle, revolving field, 2,300 volts, 200 R. PM. direct connected, 16x24 inches, 4 valve engine.

Bids are asked on used equipment and must be filed in this office by 10 a. m. Wednesday, July 9th. The right is reserved to reject any or all bids.
 C. R. Knollenberg,
 Commissioner of Accounts and Finance.

QUICK RELIEF FOR RHEUMATISM.
 Says: "Dr. DeLoach's Relief for Rheumatism has been a real relief. She could not lift her foot, had to be lifted for two months. She began to use of the remedy and improved rapidly. On Monday she could not move and on Wednesday she got up, dressed herself and walked out for breakfast." Sold by L. P. Allcott, druggist.

GRACE CHAPEL.

The Fourth of July celebration at Chapel was a decided success, everyone had a most enjoyable time.

The fine address by H. H. Bancroft was listened to with much interest. The Chapel people had often heard of Mr. Bancroft's ability as a speaker but after hearing him they realized the half that had not been told. Everyone was loud in their praise of him.

The Ladies Aid cleared \$10.00 from their bazaar while the church made \$20.00 above all expenses. The following was the program rendered during the afternoon:

Song—Beautiful Flag of Liberty, choir.

Invocation—J. J. Goodpasture.

Piano solo—Miss Alma Ogle.

Song—The Flag of the Brave-choir.

Address—H. H. Bancroft.

Song—America, audience.

Mrs. Fred Brainer and Miss Willie Wiswell spent Saturday with Mrs. Lula Dawson.

Mr. and Mrs. H. E. Ogle, Fred Brainer and Elmer Smith were Saturday shoppers in Jacksonville.

Mrs. S. M. Smith returned Saturday from a week's visit with relatives in Shannandoah, Iowa.

Mr. Stanley of Decatur and Dr. J. M. Wolfe were business callers in these parts Monday.

Calvin Ives departed Monday for a visit with his son and daughter in Kansas.

A precinct Sunday school convention will be held at Grace Chapel church Sunday afternoon July 20. Plan to be present and enjoy the good thing in store for you.

A Good Investment.

W. D. Magill, a well known merchant of Whiteland, Wis., bought a stock of Chamberlain's medicines so as to be able to supply them to his customers. After receiving them he was himself taken sick and says that one small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy was worth more to him than the cost of his entire stock of these medicines. For sale by all dealers.

NEWS IN BRIEF.

Ten Policewomen for Chicago.—Ten policewomen will be appointed in Chicago in accordance with a special message sent to the council by Mayor Harrison. They will be assigned to the bathing beaches and parks.

Recall Asked.—Declaring that the mayor and city commissioners have failed to enforce a city ordinance, requiring the closing of all meat markets in Springfield on Sundays, members of Butchers' local No. 61, adopted a resolution, under which they propose to circulate among the voters of Springfield petitions for the recall of these officials for "neglect of office."

Nearly Excused.—Milton L. Loez of Decatur surely has played in hard luck. His horse ran away, collided with a telegraph pole, and then there was some broken glass on the street. Milton was fined \$12.80 by Justice of the Peace Buxton for failure to pick up the glass.

Illinois Farmer Ends Life.—Robert Rhodes, 55 years old, a retired farmer living in Jerseyville, Ill., ended his life by shooting himself in the head with a shotgun. He was found dead in his room by his son, James Rhodes, 16. The weapon lay beside him. He is survived by his wife and four children.

Monthly Report.—Total losses from fires in Illinois during the month of June were \$756,445, according to the report issued by the state fire marshal. Of 756 fires, 277 were in Chicago and 469 outside that city. Forty-one were caused by gasoline or oil stoves and fifty-one by lightning. One hundred and eighty-three were of unknown origin.

A Fool Husband.—Fred Inyard, 1701 East Moffat avenue, Springfield, night car inspector for the Chicago & Alton railroad, became so jealous of his little 3-year-old son because he showed more love for his mother than he did for his father, that he started at once to whip him. Mrs. Inyard could not stand it and interfered. She threw a flat iron at her husband. Inyard then took his 32-calibre revolver and shot his wife, the bullet penetrating her left elbow.

Wed Years, Held For Bigamy.—Michael B. McKenna, a railroad man, who, it is alleged, has a wife and three children in Carrollton, Ill., in addition to a wife and two children in Milwaukee, was arrested on a complaint of Carrollton officials. Mr. and Mrs. McKenna of Milwaukee were married fifteen years ago in Ottawa, Canada, and have been living there ever since. They have a 13-year-old son and 6 weeks old girl.

Accept Pastor's Resignation.—The Presbyterian church congregation at Taylorville accepted the resignation of the pastor, Rev. E. C. Pires, who resigned to accept a call to Fosteria, O. The resignation is effective the first of September and the Presbyterians expect in the meantime to secure a successor to Rev. Mr. Pires.

Major to Call All Citizens.—Gov. Major of Missouri will issue a proclamation sometime during the month of August calling upon every able-bodied man and boy in Missouri to devote two days to the construction and repair of the public roads. "There are approximately 800,000 men in Missouri besides boys who are under age. If we could get one-third, or 260,000, of these upon the roads for two days, many a hole could be patched and many a mile of road graded and improved," said the governor. "I have not determined the best date for the road working, but it will be two days during August, when corn has been laid by and threshing done."

SHEDS LIGHT ON PROBLEM OF VOCATIONAL TRAINING

Information Needed About Industrial Conditions Before Attempt is Made To Guide Children to Positions.

How the Vocational Guidance Survey of New York City voluntarily became the Vocational Survey, because those in charge believed that the really needful thing was to train children to be efficient rather than to find jobs for them for which they were not trained, is told in a document just issued for free distribution by the United States Bureau of Education.

"What the children really want," says Miss Alice B. Barrows in the Bureau report, "is vocational training. The kernel of truth in this popular movement for vocational guidance is the need of vocational training for children. Vocational guidance should mean for training, not guidance for jobs. Hence, under present conditions, the interests of public school children can best be served, not by the establishment of a vocational bureau, but by the development of vocational training."

Survey Studied New York Children.—The survey was undertaken by a joint committee of the Junior League and the Public Education Association. It was organized for the purpose of studying a group of New York children leaving school to go to work, in hope of determining what vocational guidance should mean to the public schools of the city. Life careful investigations of recent times, this survey demonstrated that "economic pressure" accounts for only a small proportion of the children who leave school to go to work. Investigation of the children at work showed that what they wanted more than anything else was "a job where you can learn." In most instances they were not getting it.

For the most part their work meant nothing to them; they were rapidly developing a "feeling of protest against the lack of individual attention and training; against the military discipline and inexplicable tasks."

No Jobs For the Young.—On one point the New York report is unusually explicit. "There are no jobs for children under 16 which they ought to take," it declares. Furthermore, it emphasizes the need for more information about industrial conditions before attempting to steer boys and girls into positions. "Neither the Vocational Educational Survey nor any other organization has adequate information at present about the demand for workers or the opportunities and condition of work and training in the 20 largest industries, not to mention the legion of smaller ones." Until more exact information is at hand the vocational guidance movement, says the report, will remain "little more than a body of good intentions without any clarified plan."

FINISHED WITH HONORS.
 Bay View, Mich., July 7, 1913.
 Mr. Editor:

I have recently heard of the graduation at Boston Wesleyan University of Ruthven Nichols, son of Don W. Nichols. He was one of a class of 85, the largest class in 23 years. Henry Crane, son of Dr. Charles Crane, graduated in the same class and won the prize in oratory for the 4th time at the university.

Mr. Nichols has accepted a position with the American Trading Company at New York City. They expect to make him their representative in China. As he was born and grew up in that country, he is familiar with the language customs and people, and he is eminently qualified for the work. He is a graduate of Illinois college and spent some time at De Pauw University, Indiana.

Rev. and Mrs. Don Nichols are living now at Buchanan, West Virginia, and are much pleased with their new home.

WOODSON.

Mr. and Mrs. Clarence York and son, Orman, of Jacksonville were Sunday visitors at the home of Mr. and Mrs. James Galloway.

Mrs. Charles Jones of Lynnville visited at the home of her son, Dr. R. R. Jones, for the past week. Miss Ethel Sooy of Jacksonville visited the latter part of last week with her cousin, Miss Eva Baxter.

Mr. and Mrs. C. F. Kohl and children of Mexico, Mo., are visiting relatives here.

Mr. and Mrs. C. C. Self attended the funeral of William Harney at Jacksonville last Friday.

Little Miss Irene Withee of Jacksonville is visiting at the home of her grand mother, Mrs. Elizabeth Sheppard, also Mrs. Mary Jane Reynolds.

Cecil Megginson, who has been attending Eureka college, is spending his vacation with his parents, Mr. and Mrs. Reuben Megginson.

Mr. and Mrs. S. A. D. Riggs spent the Fourth of July in Waverly.

Mr. and Mrs. Jesse Henry and son, Jesse, William Henry, Mr. and Mrs. T. M. Whitlock and son, Raymond, and daughter, Dorothy, Mr. and Mrs. James Galloway and Miss Stella McCurley enjoyed a picnic dinner the Fourth of July with Mr. and Mrs. Edwin Cade.

The superintendent, Sylvester Watt, and secretary, Miss Ethel Shortridge, of the Ashland Christian church Sunday school visited the Christian church Sunday school here last Sunday.

Dr. and Mrs. R. R. Jones and children, accompanied by Mrs. Jones' sister, Miss Carrie Campbell of Lynnville, visited their brother, Charles Campbell, and family of Whitehall Sunday.

Quite a number from here attended the baseball game in Murrayville the Fourth of July.

Mrs. Charles Dewese and children of Odell, Ill., are visiting her parents, Mr. and Mrs. J. W. McAlister.

Miss Ruth Gallagher spent Saturday and Sunday with Miss Helen Strandberg in Jacksonville.

Mrs. Charles Riggs and son of Jacksonville spent Sunday with relatives here.

The Misses Clara and Grace McHetter visited in Waverly the latter part of last week.

Christian Church Notes.
 Some falls are beautiful, but this is not true of the falling off in attendance upon our Sunday school sessions. Help make a good record next Sunday. Can you bring others?

Try.

The C. W. B. M. will meet with Mrs. Mary A. Smith on Thursday afternoon.

The Junior band will meet at the home of Sarah Jane Megginson Friday afternoon. All the children are invited to come and spend a pleasant and profitable afternoon.

Plans are being made to hold union open air services on Sunday nights, beginning next Sunday.

SCOTT AND SCHALK TOO MUCH FOR N. Y.

SOX SHUT OUT HIGHLANDERS BY SCORE OF 2 TO 0.

Chicago Twirler Struckout Ten Men While Schalk's Double Following An Error and Bodie's Walk Gave Sox Game.

Chicago, July 9.—Scott and Schalk proved too much for New York to day and Chicago shutout the visitors 2 to 0. Scott struckout ten men while Schalk's double, following Midkiff's fumble and Collins' grounder and Bodie's walk gave the locals the game.

REDS VICTORS IN BATTING BEE

Cincinnati Goes Into the Ninth One Run Behind But Comes Out on Top.

Brooklyn, July 9.—To day's game had a sensational finish, Cincinnati going into the ninth one run behind and battling out a 6 to 5 victory. Both sides batted heavily and fielded sharply.
Club. R. H. E.
Cincinnati 001 002 012—6 17 1
Brooklyn 100 210 000—5 13 1
Batteries—Benton, Suggs, Harter, Brown and Clarke; Ragan and Miller.

PIRATES BLANK PHILLIES

Adams Allows Three Hits, Two of Which Were Scratches.

Philadelphia, July 9.—Only three hits, two of which were scratches were made off Adams to day and Pittsburgh shutout Philadelphia by 3 to 0.
Club. R. H. E.
Pittsburgh 000 100 002—3 10 2
Philadelphia 000 000 000—0 3 1
Batteries—Adams and Simon; Brennan, Alexander, Imlay, Mayer and Howley, Kilfliter.

ATHLETICS DEFEAT NAPS.

Cleveland, O., July 9.—Philadelphia defeated Cleveland 5 to 3 in the first game of their series here to day. The bases on balls given by Mitchell proved costly. Conservative base running held Cleveland's score down as they out hit their opponents.
Club. R. H. E.
Cleveland 000 010 002—3 12 2
Philadelphia 100 003 100—5 10 0
Batteries—Mitchell, Blanding and O'Neill; Bush and Schang.

JUSTICE COURTS.

Daniel McNamara, charged with assault to commit murder, was given a preliminary hearing in Squire Dyer's court Wednesday and placed under \$200 bond for his appearance in court July 19 at 9 o'clock. In default of bond he was committed to the county jail. McNamara is charged with assaulting Willie Gray.

THE TEMPERATURES.

The temperatures for Wednesday, according to G. H. Hall, weather observer at Alexander, were, maximum 95 and minimum 83.

SOME OFF-SIDE CHUTES

Johnny Coulon, the bantam champion, left Presbyterian hospital in Chicago on Monday. He had been taking treatment for stomach trouble, and his physicians state positively that he will not be able to prepare for any fistie encounters for several months at least. This decision of the doctors will necessitate a cancellation of the match with "Kid" Williams scheduled at Vernon, Cal., on Labor Day.

"Porky" Flynn has again broken out—in a new spot. Monday in a game at Columbus, Ohio, with Indianapolis he engaged in a fight with Catcher Smith of the Senators, and both players were ejected from the field. Hostilities were renewed beneath the bleachers and the players had to be separated by the fans, not, however, before "Porky" had inflicted severe punishment upon Mr. Smith. Flynn is a fairly good ball tesser, but his pugnacity is a thorn in the side of managers, and as a result the scrappy one is kept busy jumping from the uniform of one team to that of another. Three years ago when with the Pirates at one time during the season he had put the major portion of the team on the hospital list. Fred Clarke secured waivers and the fighting "Porky" was banished to the tall and uncut.

Since 1895, when the Poughkeepsie-Highland course on the Hudson river was adopted by the Eastern Intercollegiate Rowing association, Cornell has been successful 35 times, and in addition possesses every record for the course. Syracuse has won eight races, Pennsylvania six, Wisconsin two, Columbia two, and Yale one. Fifty-one races have been held, which include varsity and freshmen eights and fours.

George McQuillan is to be given another try in the big top. Columbus has effected a trade whereby the Pirates will transfer Perry and two other players whose names have not yet been made public in exchange for the temperamental one. McQuillan made good with Philadelphia several seasons ago until traded in that famous deal with Cincinnati, when he began to slip until he finally tumbled into the provinces. He fully regained his form in 1912, and this season has been going along at a fast clip.

Lena Blackburn, Comiskey's \$11,000 Adonis, is now adorning the bench as utility, while a young recruit named Berg cavorts around short for the Brewers.

The Australian cricketers continue to walloped the United States and Canadian teams. The Antipodians closed their second innings on Monday, scoring 416 runs for a total of 9 wickets. The Yankee and Canuck combination was retired for their second innings for a total of 150 runs and six wickets.

The Bostonians who attended the Amateur Athletic Union's senior title games held in Chicago last week have returned home, and are roasting them to a "frazzle." Manager George Brown of the Boston Athletic association labels the games as the "finest burlesque ever staged."

And not alone does he roast the Chicago meet; he goes back over all of the meets during the past five years with his pitchfork. There is no doubt in the minds of those who have attended one of these travesties that vast improvement is needed if the promoters will be able in the future to weather the ever increasing storm of public criticism. Elimination of red tape in the rules and the adoption of at least tolerable conditions under which the entrants may be able to compete will go a long way toward restoring the confidence of the patrons of these athletic developing series.

That Jimmy Callahan holds the long end on that Chase-Borton-Zeider deal has thus early been proven to the satisfaction of all White Sox admirers. Chase since connecting with the tribe of Comiskey has been unwrapping the best article of ball in all of his career. Zeider has been out of the game since joining the Yanks, and Babe Borton has shot his bolt in the big show, and is now with Jersey City of the International league.

All doubts as to "Hy" Jasper's future are now removed. The Old Roman at Chicago on Tuesday announced that he had completed the deal with Dubuque for a purely cash consideration. No other players were involved in the transfer.

Johnny Evers was handled gently by President Lynch for his outbreak in the Cub-Cardinal game at Chicago on Sunday. A \$50 fine was all the complacent Tom imposed.

TIGERS AND SENATORS DIVIDE HONORS EVENLY

Detroit, Mich., July 9.—Three to five against Washington was the score in today's game but the Senators evened up by shutting out the locals in the second game. Score:

First Game:
Washington 100 000 0

A STRONG REFERENCE.
A young man recently applied for
a position with a large printing
house, and not having a letter of
reference, offered his bank book. It
showed a regularity of entries of de-
posit. It was a very strong recom-
mendation, indicating character and
perseverance, which finally secured for
him a good position.

cent; last loan, 2 1/2; closing bid, 2 1/2;
offered at 2 1/2.
Time loans steady; sixty days, 3 1/2
per cent and 90 days, 4 1/4; six
months, 5 1/4 1/2.

THE WORLD'S LATEST FINANCIAL AND MARKET NEWS

ACTIVITY IN STOCK
MARKET INCREASES
QUOTATIONS TURN DOWNWARD
AT MORNING SESSION.

More Stocks Change Hands in First
Two Hours Than All Previous
Day—Canadian Pacific Particu-
larly Weak.

(By Associated Press)
New York, July 9.—The placid
indifference shown in the stock mar-
ket recently to accumulating bearish
influence was less noticeable today
and movements of stocks were more
nearly in accordance with the trend
of speculative sentiment. Quotations
turned definitely downward during
the morning trading. The volume of
business increased on the down grade
and more stocks changed hands in
the first two hours than during the
entire session yesterday. The mar-
ket hardened during the afternoon
and some stocks scored full recov-
eries but most of these active shares
showed slight net losses.

Canadian Pacific was the particu-
lar point of weakness. It fell 5 1/2
points on unusually heavy trading.
It touched a new low figure for the
year which brought it nearly 50
points below the price at which it
sold in January. Foreign selling
was largely responsible for the break
although rumors of a forthcoming
\$60,000,000 stock issue played a
part in influencing trading.
The government crop report was
received with some degree of apathy.
Although a marked falling off in con-
dition and contraction in indicated
yield for the wheat crop was shown,
stocks of the grain carrying roads
moved slightly higher during the
brief interval between publication of
the report and the close of the close
of the market.

Look Out For Poison Ivy

Keep Your Blood Pure and Danger will be Avoided.

All Blood Disorders are Knocked Out by S. S. S.

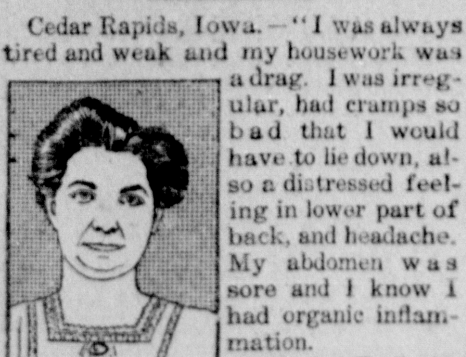

Strolling through the woods or clearing brush, hunters, fishermen—look out for poison ivy. And in the meantime keep your blood pure by using S. S. S. If your skin is rough with eczema, pimples or any other eruption, S. S. S. stimulates the fine network of blood vessels in the skin to dry up and heal all sore spots.

S. S. S. will do this positively. It dominates the principle of osmosis, stimulates the cells of the skin to select their own nutriment from the blood, made pure and healing by the wonderful medicinal ingredients of this famous blood purifier. It is a safe remedy, as it contains no minerals, and yet its action is a marvel.

You can get S. S. S. in any drug store, but insist upon having it. The Swift Laboratory in Atlanta, Ga., prepares this famous blood purifier, and you should take no chance by permitting anyone to recommend a substitute. And if your blood condition is such that you would like to consult a specialist freely, address the Medical Dept., The Swift Specific Company, 136 Swift Bldg., Atlanta, Ga.

CRAMPS, HEADACHE, BACKACHE,

Yield to Lydia E. Pinkham's Vegetable Compound.

Cedar Rapids, Iowa.—"I was always tired and weak and my household was a drag. I was irregular, had cramps so bad that I would have to lie down, also a distressed feeling in lower part of back, and headache. My abdomen was sore and I know I had organic inflammation."

"Lydia E. Pinkham's Vegetable Compound and Blood Purifier have helped me wonderfully. I don't have those pains any more and I am all right now. There are a great many women here who take your remedies and I have told others what they have done for me."—Mrs. CHAR. McKINNON, 1013 N. 5th St. W., Cedar Rapids, Iowa.

Women who are suffering from those distressing ills peculiar to their sex should not lose sight of these facts or doubt the ability of Lydia E. Pinkham's Vegetable Compound to restore their health.

There are probably hundreds of thousands, perhaps millions of women in the United States who have benefited by this famous old remedy, which was produced from roots and herbs over 30 years ago by a woman to relieve woman's suffering. If you are sick and need such a medicine, why don't you try it?

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

GREAT WHEAT CROP EXPECTED

WHEAT CROP EXPECTED TO BE SECOND LARGEST EVER GATHERED.

Department of Agriculture Issues First Crop Report of Year Showing Acreage and Conditions of Crops Over the Country.

Washington, July 9.—The first idea of the size this year of the country's greatest crop—corn—was given today when the department of agriculture issued its report showing the acreage, condition and estimate of the number of bushels of corn which condition reports indicate will be produced. More definite figures as to the size of the great wheat crop expected to be the second largest ever gathered, also were given, as well as the first idea of the size of the potato, tobacco and rice crops.

Details of the acreage, condition, on July 1, and indicated acre yield and total production, interpreted from condition reports, of the various crops, follow:

Winter Wheat—Area planted 30,938,000 acres, compared with 26,571,000 acres last year. Condition 81.6 per cent of a normal, compared with 83.5 per cent on June 1, 73.3 per cent on July 1, last year, and 79.9 per cent, the 10 year average on July 1. Indicated yield 15.6 bushels per acre, compared with 15.1 bushels last year and 15.2 bushels, the average for the past five years. Estimated total production 483,000,000 bushels, compared with 399,919,000 bushels last year, 430,656,000 bushels in 1911, 434,142,000 bushels in 1910 and 418,000,000 bushels in 1909.

Spring Wheat—Area planted, 18,663,000 acres, compared with 19,243,000 acres last year. Condition, 73.8 per cent of a normal compared with 93.5 per cent on June 1, 89.3 per cent on July 1 last year and 85.3 per cent, the 10 year average on July 1. Indicated yield 11.7 bushels per acre, compared with 17.2 bushels last year and 13.2 bushels, the average for the past five years. Estimated total production 218,000,000 bushels, compared with 330,348,000 bushels last year, 190,682,000 bushels in 1911, 200,979,000 bushels in 1910 and 265,000,000 bushels in 1909.

All Wheat—Area planted, 49,601,000 acres, compared with 45,814,000 acres last year. Condition, 78.6 per cent of a normal, compared with 87.2 per cent on June 1, 80.1 per cent on July 1 last year and 81.9 per cent, the 10 year average on July 1. Indicated yield, 14.1 bushels per acre, compared with 15.3 bushels last year and 14.5 bushels, the average for the past five years. Estimated total production 701,000,000 bushels, compared with 621,338,000 bushels in 1911, 635,121,000 bushels in 1910 and 633,000,000 bushels in 1909.

The amount of wheat remaining on farms July 1 is estimated at about 35,515,000 bushels, compared with 23,876,000 bushels on July 1, 1912, and 34,071,000 bushels on July 1, 1911.

Corn—Area planted, 106,884,000 acres, compared with 107,083,000 acres last year. Condition, 86.9 per cent of a normal, compared with 81.5 per cent on July 1 last year and 84.0 per cent, the 10 year average on July 1. Indicated yield, 27.8 bushels per acre, compared with 29.2 bushels last year and 26.5 bushels, the average for the past five years. Estimated total production, 2,971,000,000 bushels compared with 3,124,746,000 bushels last year, 2,531,488,000 bushels in 1911, 2,531,488,000 bushels in 1910 and 2,552,000,000 bushels in 1909.

Oats—Area planted, 38,341,000 acres, compared with 37,317,000 acres last year. Condition, 76.3 per cent of a normal, compared with 87.0 per cent on July 1, 89.2 per cent on July 1, 1912, and 84.5 per cent, the 10 year average on July 1. Indicated yield, 26.9 bushels per acre, compared with 37.4 bushels last year and 29.7 bushels, the average for the past five years. FINAL SPECIAL TAX NOTICE. In the matter of the special tax of the city of Jacksonville for the construction of a vitrified pipe sewer on Dunlap street.

Notice is hereby given to all persons interested, that the Board of Local Improvements of said city has heretofore filed in the county court of Morgan county, Illinois, in said cause, a certificate showing the cost of the work, the amount reserved for interest, and also that the improvement has been constructed in substantial conformity to the requirements of the original ordinance therefor.

The hearing to consider and determine whether or not the facts as stated in said certificate are true, will be held in said court on the 24th day of July, A. D. 1913, at 9 o'clock or as soon thereafter as the business of the court will permit.

All persons desiring may file objections in said court before said day and may appear on the hearing and make their defense.

By E. M. Henderson, Secretary.
Board of Local Improvements of the City of Jacksonville, Ill.
Dated Jacksonville, Ill., June 9, 1913.

Surprising Cure of Stomach Trouble. When you have trouble with your stomach or chronic constipation, don't imagine that your case is beyond help just because your doctor fails to give you relief. Mrs. G. F. Engle, Plainfield, N. J., writes:

"For over a month past I have been troubled with a terrible case of Chamberlain's advertising booklet came to me. After reading a few of the letters from people who had been cured by Chamberlain's Tablets, I decided to try them. I have taken nearly three-fourths of a package of them and can now eat almost everything that I want." For sale by all dealers.

MEMORIAL TO BRADDOCK. Rockville, Md., July 9.—The memory of General Edward Braddock, who commanded the English and colonial troops in the war against the French and Indians, was honored here today by the unveiling of a monument erected by the Daughters of the American Revolution. The monument stands in front of the court house and marks the site of General Braddock's encampment here, in 1755, on his way to Fort Duquesne. Several congressmen and delegates representatives of the army and navy of the United States took part in the exercises that attended the unveiling of the memorial.

LOST VALUABLE DOG. Grover Schuetz, who resides on North Diamond street, lost a valuable dog recently. The animal, which was a white bird dog and valued highly by the owner, died after a few days' illness.

LITERBERRY. Little Miss Mildred Underbrink had the misfortune to get a bug in her ear Sunday morning, which caused quite a commotion in the family, and Miss Mildred a good deal of inconvenience and suffering, her many friends are glad the accident was not more annoying than it was.

Mrs. Frank Ogilvie and children of Topeka, Kan., are here for an indefinite stay with her parents, Mr. and Mrs. Aaron Petefish.

Mrs. Durrell Crum entertained the Baptist Ladies' Aid society at the Baptist church Thursday afternoon. There was a full attendance and hearty and good will prevailed. Our worthy president, Mrs. Ed. Later, certainly understands her position, for all business was carried on briefly and in order. Mrs. Crum and her assistants served refreshments in the basement and all pronounce it a good meeting.

C. P. Henderson made a call at Sunshine cottage Saturday evening. Mrs. John Coons of St. Louis is here for a visit with old friends and relatives.

Mrs. Tice Crum visited her mother in Jacksonville Monday and Tuesday. The Fourth was safe and sane at Literberry; we ascribe this to the fact that our people began celebrating the latter part of June, about a week before the Fourth, keeping up a lively gait all the time; this is the only true solution to a sane Fourth.

The Misses Lora and Evalie Petefish entertained in the afternoon and evening with games and refreshments on the lawn and a fine display of fireworks at night.

We drove the Mitchell car down to the Bend, where some of the home people were congregated at Grace chapel for a little gathering of their own. They were nicely fixed under the Concord big tent, with all manner of refreshments for the men; there was no mash at the chapel. We are afraid some of the Benders are shedding their patriotism. We believe every family should consider it their duty to attend their home neighborhood gatherings on our national anniversary. H. H. Bancroft of Jacksonville was the orator of the day and one might travel thousands of miles to hear some noted orator and not hear so many historical facts on our country and its constitution as Mr. Bancroft gave in his condensed and accurate speech of the afternoon. Mr. Bancroft would not have felt that his talk was complete without referring to the Gettysburg reunion. We were fortunate in having with us a confederate battle flag, which we presented to the speaker. He made an illustration to the young people with the two flags. He was very careful to hold the stars and bars lower than the stars and stripes. Taking all things into consideration, we had a fine time in the Bend on the Fourth.

Some of our people are mourning and some are not; the mourning is superficial, but very becoming for the occasion. This mourning is for an accident which happened to our musical dog orchestra. The baritone has unceremoniously stepped out and his voice is no longer heard floating sweetly on the evening zephyrs. "Every dog has his day" and we are glad the baritone met up with his day. The high tenor is still doing business at the old stand and last night seemed to be trying to make up for his lost companion, his efforts some times being pathetic, especially when he changed from dolce to the fortissimo, coming back to lento and finishing always on allegro. It is only a question of time when this industrious canine will travel the same road of the baritone and we believe every good citizen of Liter is wishing him a speedy start and a sure getaway.

Mr. and Mrs. A. H. Coffman of Jacksonville drove out to our town Sunday morning and attended Sunday school at the Baptist church. They were much pleased with the town and the people and we invited them to come again.

FINAL SPECIAL TAX NOTICE. In the matter of the special tax of the city of Jacksonville for the construction of a vitrified pipe sewer on Doolin avenue and Cox street.

Notice is hereby given to all persons interested, that the Board of Local Improvements of said city has heretofore filed in the county court of Morgan county, Illinois, in said cause, a certificate showing the cost of the work, the amount reserved for interest, and also that the improvement has been constructed in substantial conformity to the requirements of the original ordinance therefor.

The hearing to consider and determine whether or not the facts as stated in said certificate are true, will be held in said court on the 24th day of July, A. D. 1913, at 9 o'clock or as soon thereafter as the business of the court will permit.

All persons desiring may file objections in said court before said day and may appear on the hearing and make their defense.

Causes of Stomach Troubles. Sedentary habits, lack of outdoor exercise, insufficient mastication of food, constipation, a torpid liver, worry and anxiety, overeating, partaking of food and drink not suited to your age and occupation. Correct your habits and take Chamberlain's Tablets and you will soon be well again. For sale by all dealers.

JUNKET OF NAVAL COMMITTEE. Washington, July 9.—The members of the house committee on naval affairs sailed on the yacht Mallow today for an inspection of the navy yards and stations at Norfolk, Philadelphia, New York, Portsmouth, Newport, New London and other points. The trip will occupy two weeks and will extend as far north as Frenchmen's Bay, Maine.

DEAN OF SACRED COLLEGE 85.

Cardinal Oreglia Only Surviving Cardinal Created by Pope Pius IX.

Rome, July 7.—Cardinal Oreglia di Santo Stefano, the dean of the sacred college, reached his 85th birthday anniversary today. He is the oldest of the living cardinals, as regards appointment, having been nominated to the sacred college by the late Pius IX., and being now the only surviving cardinal created under that pontificate. Cardinal Oreglia was born in the diocese of Mondovì, July 9, 1828, and as a student at the Academy of Rome gained prominence in theology and languages. He became a Jesuit novice, but did not continue in the Society of Jesus and was ordained to the secular priesthood in 1856.

Before Victor Emmanuel became king Cardinal Oreglia was his chaplain and was with the house of Savoy in that capacity for several years. For more than a quarter of a century now he has been a powerful factor in vatican politics. It was his personal influence in the last conclave and his shrewd diplomacy that caused the election of the patriarch of Venice to the papal throne, and ever since the election of Pius X. he has been known to have exercised extraordinary influence in the vatican, and to have been the principal opponent of a liberal policy on the part of the present pope toward the Italian government.

For some time Cardinal Oreglia has been in very poor health, and because of his advanced age great fears are entertained in vatican circles of an approaching collapse. The serious illness of both the pope and the dean of the sacred college have combined to bring about a situation with regards to vatican politics that is filled with interesting possibilities. In the event of the pope's death the dean of the sacred college fills the vacancy until a successor is chosen. Should Cardinal Oreglia die the sub-dean, Cardinal Serafino Vannutelli, would become dean, and would thus become the acting pope in case of a vacancy of the papal throne. The present situation is complicated by the fact that Cardinal Vannutelli is in high disfavor among those who stand closest to the pope, chiefly because of his differences with Cardinal Merry del Val, the papal secretary of state, and his brother, Cardinal V. Vannutelli, has virtually retired to private life.

FRANKLIN.

Misses Myra and Elberta Whitlock of Jacksonville are visiting at the home of their uncle, C. J. Whitlock.

Mrs. Sam Challiner of Joy Prairie spent the Fourth with her parents, Mr. and Mrs. J. M. Hart.

Dr. and Mrs. Fortune of Literberry spent Sunday with Mr. and Mrs. Burley Jones.

Cullen Gates visited last week with relatives at Girard.

Misses Bertha Austin and Chattie Duncan of Jacksonville spent the Fourth with home folks.

C. J. Whitlock and family motored to Winchester Sunday and spent the day with T. C. Hill and wife.

William Miller and wife, and J. L. Miller, wife and little daughter of Chicago came down Thursday for a visit with relatives.

DECIDE YOURSELF

The Opportunity is Here, Backed By Jacksonville Testimony. Don't take our word for it. Don't depend on a stranger's statement.

Read Jacksonville endorsement. Read the statements of Jacksonville citizens. And decide for yourself.

Here is one case of it: W. E. Allen, 627 S. Prairie street, Jacksonville, Ill., says: "I had pains in the small of my back and through my sides, especially when I was standing. The trouble made me feel all tired out. Finally I went to Armstrong's drug store and got a supply of Doan's Kidney Pills. After I had used one box, the troubles soon disappeared. I have had no kidney ailments since. All I said about Doan's Kidney Pills when I recommended them a few years ago still holds good."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

AT NEW BERLIN

MATINEE WAS HELD BEFORE
LARGE CROWD.

Program Was Made Up of Four
Races With Purse Amounting to
\$150—Next Matinee July 23.

The New Berlin Driving club held their first racing matinee of the season Wednesday at the New Berlin track. Nearly a thousand people were present and an excellent program of four races was put on. There were several who attended from Jacksonville including J. W. Woods, Robert Clayton, Fred Craven, Thomas Spies, John Fats, Gaines, Purviance and Thomas Packard. Music was furnished during the afternoon by the New Berlin band, which also gave a concert in the park during the evening. The next matinee will be July 23. The program of races follows:

Free For All Pace.
Purse \$50.
Gift Gambleon, owned by Fred Points, Waverly 1 1 1
Dan P., owned by A. L. Robertson, Waverly 2 2 2
Time 1:04 3-4; 1:04 1-2; 1:05 1-2.

Free For All Trot.
Purse \$50.
Silver Abbey, owned by E. D. Jericho, New Berlin 1 1 2 1

Second-Palatin, owned by J. Morley, Loomi 2 2
Little Tanner, owned by Harrison Davenport of Pisgah 3 3
Time 1:12 1-2; 1:12 1-2.

The following were the officials:
Starter—N. T. Kirby, Springfield.
Judges—George R. Boyd, Springfield; E. A. Roesch, New Berlin; Clarence M. Rhodes, Springfield.
Timer—H. H. Massey, Jacksonville.

Tents, Stack Covers and Gold Medal camp furniture, Catky's.

ENTERTAINMENT AT EXETER.
The entertainment, "Louisiana," given under the auspices of the Exeter band and Christian Sunday school of Exeter recently, was a success from every standpoint. Miss Mary Mathews who had charge of the training is a resident of Exeter who has had much experience in this kind of work. The societies each made over forty-five dollars above expenses and were compelled to turn people away for lack of room. Worthy of special mention were the ten piece orchestra, the solos and the choruses. The drills and tableaux were out of the ordinary. The "Ten Virgins" and "Faust" tableaux were enjoyed by everyone.

PANTS WEEK—Not weak pants. We are making a specialty on men's trousers this week in peg top and regulars. Splendid values, ranging from \$2.50 to \$6.00. See our south window display.
Breckon & Jenkinson.

CHANGE IN FIRM.
I wish to announce that I am sole proprietor of the grocery store at 225 North Main street, formerly owned by Mason & McGownd, and that a quick settlement by all persons owing the above firm would be much appreciated.
R. L. McGownd.

\$2.50 Round trip to Chicago via Wabash.

Floret's Dry Goods Store

East Side Square

Jacksonville, Illinois

Phone 309---We'll do the Rest.

HILLERBY'S DRY GOODS STORE.

AFTER the Fourth of July what do we do? With every progressive store in the land we bid Summer Merchandise a fond farewell.

It's just when you want the goods that we must close them out. We must sell the summer stuff when the public wants to buy---Whether we like it or not is not a factor. It's simply a supply and demand problem. The quicker we sell the summer goods the better we are pleased. After five days of such intensive selling as we have had there's a big lot of stuff left. Many lots too small to advertise but with a style and wear that will suit you exactly so we have more special bargains than we had before. Its to your interest to see our display.

Odds and Ends in Silks and Dress Goods Much Less Than Cost.

Here's a few things that you need with very special prices attached and there's lots of other things we don't mention that you need.

19c per yard for Anderson's 32 inch Tissue and Zephyr Gingham. The best in the world. Colors are fast, 25c grade.	12c Cotton Silken Foulard, beautiful patterns and all colors wear like silk. Cool and comfortable for this heated season.	12c yard in striped Voiles in the new shades. Crisp and cool as a silk tissue. At such a small price. They were 25c arly.

MORTUARY

Hill.

Funeral services for Mrs. H. W. Hill were held at the late residence on South Church street Wednesday morning at 10 o'clock in the presence of a large gathering of relatives and friends. The services were impressively conducted by Rev. J. W. Miller, pastor of Grace M. E. church. Music was furnished by Mrs. W. B. Brown and the flowers, which were many and beautiful, were cared for by Miss Jessie Holmes, Miss Louise Holmes, Miss Nell Ferguson and Mrs. William Willard.

Interment was made in Diamond Grove cemetery and the bearers were Matthew Miller, M. L. Robinson, A. T. Capps, Charles Hopper, J. W. Breckon and Newton Campbell.

Franz.

Henry W. Franz, for thirty-nine years a resident of Jacksonville, passed away Wednesday afternoon at 4:30 o'clock after an illness covering a long period.

Mr. Franz was born in Germany June 19, 1848 and came to America when quite young. May 6, 1871 he was married to Katherine Kiss at New York city and two years later they moved to Jacksonville, where they have since resided. For twenty-five years Mr. Franz was janitor at Illinois college and later was sexton at Diamond Grove cemetery for a year. He was a member of Westminster Presbyterian church and a man who was highly respected by a wide circle of friends. The deceased is survived by his wife, nine sons and two daughters: George of Corridon, Ill.; William of Jacksonville, Ill.; Edward of East St. Louis, Fred, Miss Maude, Henry, Jr., Allen, Leslie, Miss Alma, Earl and Harvey Franz, all of Jacksonville. He is also survived by four grand children.

Funeral services will probably be held Friday afternoon at 4 o'clock at the residence, 610 Grove street, in charge of Rev. L. H. Davis, pastor of Westminster church. On account of sickness in the family the services will be private. Interment will be made in Diamond Grove cemetery.

Ask to see the Wayne cedar bags sold by Garland & Co.

DELAY INTERURBAN PLANS.

For two months past St. Louis capitalists have been considering financing the interurban road between Springfield and Jacksonville and right of way for practically the entire distance was secured for them. It has recently been announced, however, that on account of the general tightness of money conditions that they have decided to halt their plans for the present. However, John W. Boston and others who have interested themselves in advancing the project are not at all discouraged and are working in other directions in the hope of getting men to take up the enterprise.

SOCIAL EVENTS.

The Pleasant Hour club met Wednesday afternoon at the home of Mrs. A. W. Baldwin, 426 East North St. An interesting program was furnished by the hostess and members. A drawing contest was held and first prize was won by Mrs. Ella McColister. Excellent refreshments were served. The next meeting will be held in August, the meeting place to be announced later.

It was a merry crowd of young people who met at the home of Miss Helen Rodems at 853 East State street Wednesday for an evening of games, music and social conversation. Among the musical numbers was an instrumental duet by Alfred and Helen Rodems, a piano solo by Miss Ruth Wilson, and a vocal duet by Misses Hulda Faugust and Flossie Kellogg. Refreshments were served of ice cream and cake. The games played were numerous and interesting and it was a late hour when the party broke up. The young people present were Misses Flossie Kellogg, Ruth Wilson, Edith Rodems, Catherine Hatfield, Laura Hatfield, Nellie Faugust and Hulda Faugust and Messrs. Clarence Wilkinson, Alfred Rodems, William Faugust and Howard Keen.

The clerks at the Wolworth 5 & 10c store enjoyed a picnic lunch at Nichols park Wednesday evening at 6:30 o'clock.

The Plus Ultra Sunday school class of the Methodist church of Murrayville was entertained Wednesday evening by Miss Ruth Fuller. Each member of the class entertains on the day of her birthday. Miss Fuller had a porch party and the evening proved delightful in every way, during which time light refreshments were served. Mrs. J. L. Wyatt is teacher of the class.

WILL STUDY VOICE.

Mrs. Thomas Harber and daughter Lucile left Wednesday night via the Wabash for Lexington, Mich., where Mrs. Harber will study voice for two months under Miss Frances Oldfield, a former instructor in the Conservatory of Music. At Detroit Mrs. Harber will be met by Miss Garnett Kinsley, who will also study with Miss Oldfield.

U. C. T. BOOSTERS.

Mr. L. R. Craig of 402 North Fayette street and Mrs. G. T. McKee will be hostesses of the U. C. T. Boosters at the home of the former this afternoon from 3 till 5. A good attendance of ladies associated with the order is desired.

ANNUAL CHICKEN FRY.

Liberty church will give its annual chicken fry Thursday, August 21.

BROWN COUNTY TO ORGANIZE ANTI-TUBERCULOSIS SOCIETY

Miss Fulmer, Extension Secretary of State Society, Explains Work—League to Be Formed Friday.

At a picnic held at Mt. Sterling Wednesday for the purpose of arousing interest in the movement of organizing a Brown county society for the prevention of tuberculosis, plans were laid for a meeting to be held this evening when preliminary arrangements will be made and on Friday evening the organization is to be perfected.

The picnic was held under the auspices of the Woman's clubs of Mt. Sterling and they had as their guests a large number of representative women of the county. Following a short musical program Miss Geneva Morrison of this city, gave a short address emphasizing the need of a county organization and introduced Miss Harriet Fulmer, extension secretary of the Illinois Anti-Tuberculosis association. She explained what such an organization would mean to the people of the county and after outlining the plan adopted at other places called a meeting of prominent citizens to be held this evening at the Presbyterian chapel. At this meeting, nominations will be made and on Friday evening a mass meeting will be held at the Methodist church when Miss Fulmer will give a stereotypical lecture. One of the leading physicians of Mt. Sterling is also to address this meeting and the program will conclude with an election of officers and the appointment of a committee of the county league.

At the picnic yesterday much interest was manifested in the movement. The leading citizens have given their endorsement of it and the members of the ethical profession have cheerfully consented to do their part in the work. Miss Fulmer is to address gatherings of women at Hersman and Versailles Friday when she will explain the movement to them and ask them to co-operate with the county organization.

Garland & Co., can save you money on suits.

CHAUTAUQUA NOTES.

Dr. Carl E. Black, W. B. Miser, Charles Knollenberg, E. M. Henderson and Paul Fritchey were out to Nichols park yesterday, where plans were talked over with Engineer Henderson relative to making a plat of the chautauqua grounds. The big tent will be located in about the same place as last year and entrance to the grounds will be at the bridge. A blue print will be made of the premises so that those who wish to reserve tents can do so by calling on Secretary Fritchey or J. G. Reynolds. Some little trouble was experienced last year in handling automobiles. This year a certain place will be reserved for machines. The programs are expected to be out the last of this week or the first of next. It will be a twenty-four page pamphlet and attractive. A boosters' trip to advertise the chautauqua will be started next week. Towns within a radius of thirty or forty miles will be visited and addresses will be made showing the excellent points of the educational festival.

You can get what you want in underwear at Garland & Co.

THE WHEAT HARVEST.

Some Morgan county farmers are threshing wheat and this important work will be in progress now for some weeks. In several instances where it had been planned to thresh last week the grain was found to be too green and the work had to be postponed. Wheat was cut much earlier than usual this year and while it was ripe at the same time the grain has not been found dry enough in a number of instances to thresh and store. Some little wheat was contracted by the elevators at \$5c, more has been sold at \$2c and for several days now the price offered has been \$3c.

A guaranteed watch given free with each boys suit at Garland & Co.

WILL RESIDE HERE.

G. C. Rockwood, state agent for Illinois of the Clover Leaf Casualty company, who has had headquarters in Aurora, will make Jacksonville his home after July 20. Mr. and Mrs. Rockwood will have rooms at 704 West College avenue.

SOUTH JACKSONVILLE BOARD HOLDS ADJOURNED MEETING

Attorney Ordered to Bring Condemnation Proceedings to Open Streets and Park.

At the adjourned meeting of the village board of South Jacksonville held Wednesday evening the attorney was ordered to begin condemnation proceedings for the purpose of opening two streets and Dewey park.

In the absence of President J. H. Hackett, Grant Graff was chosen president pro tem, and the roll call showed all members present. The minutes of the preceding meeting were read and approved and all properly approved claims were ordered paid.

A resolution was presented, asking for a walk to be built on Greenwood avenue outside of the trees and it was adopted. The board rejected a petition signed by property owners on the street between West street and South Main, asking that the walk be built inside the trees. Bonds of the concrete contractors, Otis Hoffman and Simeon Fernandes' Sons, were read and approved and a crossing was ordered built on Greenwood avenue on a line with the west side of West street. A petition from C. O. Self asking for the privilege of building a walk on the Valdalla road in front of his property was referred to the street and alley committee with power to act and the village attorney was ordered to begin at once to bring condemnation proceedings for the purpose of opening South West street from Greenwood avenue to the Valdalla road, Park avenue and Dewey Park. The matter of opening these streets and the park has been pending for some time in the hope of making a settlement out of court. After the transaction of minor business the board adjourned. The next regular meeting will be held August 6.

\$2.50 Round trip to Chicago via Wabash.

HAS MOVED OFFICE.

P. P. Thompson, attorney, has removed from Morrison block to Avers National bank building, suite 705.

Visit Garland & Co's suit sale. All \$25.00; \$27.50 and \$30.00 suits for \$20.00. All \$22.50; \$20.00 and \$18.50 suits for \$15.00. All \$16.50; \$15.00 and \$13.50 suits for \$10.00.

ATTORNEY THOMPSON

WINS PRIZE. Attorney William E. Thompson of this city has been awarded the prize for the best slogan for the Mutual Protective League.
